REFUND POLICY

DSEF Refund Policy: Upon registration and payment of program fees, $50.00 is a non-refundable administrative fee. No refunds will be given after the first scheduled day of the program for which you are registered. Refunds prior to this day (excluding the administrative fee) may be made through the DSEF Program Director and Board of Directors.

Involuntary Refund Requests: For involuntary withdrawal (documented medical illness, injury, or family relocation), prorated refunds may be available. Requests for refunds must be made in a timely manner. If a refund is requested because one has registered their child for an inappropriate program level, we will try to move your child into an appropriate program and refund the difference of the program fees. If an appropriate program is unavailable, DSEF will retain $50.00 of the program fee.
